The Difficulties of Last Minute Speech Writing

By Billy Cook

There are many instances in DeMolay where you may be called upon to write and deliver a speech. The topic could be anything from a chapter visitation to running for an international office. No matter how the situation presents itself there are some difficulties that you can only overcome with great amounts of practice.

The biggest obstacle, for many, can be procrastination. You may want to put off writing your speech until the last moment, but it is in your best interest to do your first draft as soon as possible in order to have plenty of time for editing and the aforementioned practice. For more information on speeches turn to pages 59-61 in your Region 1 DeMolay Leadership Training Conference Binder.

No Nickels Back!

By Trip Durham

As everyone settled down after having an extreme sugar rush after the amazing peanut butter jelly sandwiches and a lot of M&M's, many conversations shifted towards talking about the nickel auction. As we arrived downstairs, to begin, we were instructed how the nickel auction actually works.

I have never heard so much screaming before. Each and every brother screamed "NICKEL!!!!!!!!!!!!!!" at the top of their lungs and I yelled, "TAKE MY MONEY GOSH

DANGIT!!!!!!" Though there were some brothers who were disappointed in not winning anything, most of the brothers walked out with smiles on their faces and laughing. I would personally like to thank the staff for all of the great events and taking the time out of their week and volunteering to make this a great LTC year!

FROGMAN STRIKES AGAIN!

By Corwin Stauff

Two days ago, the mysterious Frogman of Merrymeeting Lake was sighted and photographed at the shallow waterfront. To-day, during a match of water polo, it struck again. My chapter, The Holy Flame, was getting our butts handed to us by DeMooooooooolay. I was guarding the goal, when suddenly, I felt a tug on my leg. I looked around for the culprit, when I saw it..."The Frogman." It's eyes were poking out above the waterline. They peered into my soul, like an inky abyss.

Next minute, the creature was gone. If I only had a camera, I could've snapped another picture of the mysterious beast. But worst of all, the distraction cost us the goal. Some may call the Frogman a hoax, but don't believe the skeptics. The Frogman is as real as apple pie, the sun, and Bigfoot. Anyone could be his next victim. **MAYBE EVEN YOU!**

A police rendering is posted in this paper to help identify this curious creature of the deep. Please forward any information regarding his whereabouts to the Fi-Daily-Tas or LTC Staff.

The Unbreakable Shields

By Jordan Odess

The Shielded Brotherhood chapter made a turnaround in sports yesterday. They were undefeated for the day, compared to losing every game on Monday. The Shields won 5-2 against The Holy Flame in DeMolay Dodgeball and 3-2 against The Knights of LTC. They also scored 1-0 against the Flames in kickball. In water polo, DeMooooooooolay Chapter won 7-0 against the Flames, but lost to the Knights. Let's just hope the guys of Holy Flame Chapter can turn around this losing streak tomorrow!
